

**Drawing Title :** Oxborough Gazebo (3000) Base Plan For Hardwood Floor

Tolerance +/- 20mm.

Base should be level and screeded finish.

For buildings not surrounded by hard standing we further recommend a surrounding gravel bed of approx. 500mm to prevent "splash back" from rain water on soil.

Consideration should also be given to finished ground level.

**Scale :**

Drawing should not be scaled

**Dimensions :**

Metric (mm)
